REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claim 40 was allowed because the prior art of record does not teach or render obvious the total combination claimed for a monitor including a pagewidth printhead for printing data from an external computer, a data connection hub for connection to the external computer and at least one data receiving device for receiving data from the external computer. As indicated in the applicant's remarks, the term 'monitor' is very well understood in this field as a separate stand-alone device as opposed to a computer with an inbuilt screen.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dave A. Ghatt whose telephone number is (571) 272-2165. The examiner can normally be reached on Mondays through Friday 8:00 AM to 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew H. Hirshfeld can be reached on (571) 272-2168. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
